

First announcement of the 16th Conference on Molluscan Shellfish Safety (ICMSS)

Date: September 6th- 11th 2026

Venue: 'University of Exeter', Southwest England

**Hosted by: Centre for Environment, Fisheries and Aquaculture
Science (Cefas)**

The ICMSS Conference Returns! hosted for the first time in the United Kingdom at the world-famous **University of Exeter** ([University of Exeter](https://www.exeter.ac.uk))

We're thrilled to announce the **16th International Conference on Molluscan Shellfish Safety (ICMSS)** — the premier global forum for advancing **shellfish food safety**

Theme: One Health - Join leading scientists, regulators, and industry experts from around the world to explore the **interconnectedness of human, animal, and environmental health** in the context of **shellfish safety**

What to expect:

- Cutting-edge **oral and poster presentations**
- Hands-on **workshops**, expert **panels**, and **training sessions**
- Vibrant **networking and social events**
- A chance to experience **Exeter** — a historic city in the heart of the UK's thriving shellfish region

Save the Date!

Stay tuned for details on **registration** and **abstract submissions** — coming soon!
